### Notes:

Short Stay: Applies when recovery and launch are within any 60-hour period, or over a weekend/bank holiday period (includes any period exceeding one tide in the hoist).

Boat lengths: are taken in metres and rounded up to the nearest half metre based on total length (LOA) inc fixed bowsprits.

Boatswain's Time: Will be applied at Secretary's or Boatswain's discretion where excessive time has been taken on propping, launch or recovery and where it is considered that the boat owner/skipper could have taken measures which would have reduced the time taken overall (examples might be mechanical failure, late arrival, not ready, insufficient or incompetent crew etc.).

Out of hours movements: By arrangement with the Office, and agreement with the Boatswain's – Price on application.

Dinghy, Dayboat, or Keelboat?: You have a dinghy if you have sails and fit NONE of the criteria for dayboats or keelboats.

Dayboat: LOA>6.1m, weight>250kg<500kg, and NONE of keelboat criteria apply (charge as keelboat in winter and dinghy in summer).

Keelboat: Weight>500kg, has any of: windows, berths, doors, cuddy, engine>6hp.

Vessels classified as keelboats and stored ashore on a trailer and self-launched/recovered are charged as a keelboat in the yard at all times for the length of the rig overall. If the trailer is stored empty for any period of time, a trailer charge will be made separately for this.

Non-Member activities: Where capacity exists and arrangements are made in advance with the Office these will be charged at 125% of Member rates plus Vat at 20%. Payment in full is required in advance
